CAREER OBJECTIVE

Junior full-stack web engineer building responsive web apps with Next.js, React, TypeScript, Node.js and MongoDB, from UI and authentication to database and deployment. Seeking a junior full-stack web engineering role where I can contribute to real products, keep learning, and combine web technology with my project and social media management experience.

SKILLS

- **Frontend:** Next.js, React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS
- **Backend and Database:** Node.js, Express.js, REST APIs, CRUD, MongoDB, Better Auth, JWT
- **Tools:** Git, GitHub, VS Code, Vercel, Canva
- **Interpersonal:** Project management, social media management, customer support, communication, problem solving

PROFESSIONAL EXPERIENCE

Project and Social Media Manager (Part-time) | Halal Shoot, Feni, Chattogram | October 2025 – Present

- Manage projects and social media strategy for Halal Shoot and its client brands
- Coordinate content production and video editing; process client orders and deliver finished videos on time
- Supervise workflows, support video publishing across digital platforms, and provide customer support on social media

PROJECTS

Wanderlast Travel Booking Web App | Live | GitHub
Full-stack travel booking platform: Next.js frontend with a separate Express.js REST API and MongoDB. Tech: Next.js, React, TypeScript, Tailwind CSS, Better Auth, JWT.

- Browse selected destinations and search for trips
- Book travel packages instantly
- Booking and admin operations secured behind JWT authentication

Bazar Dor | Live | GitHub
Bengali-language market-price dashboard for everyday products in Bangladesh. Tech: Next.js, React 19, TypeScript, Tailwind CSS v4, Better Auth, MongoDB.

- Price movers and category pages with sorting
- Protected product pages showing min, max, average and market-wise prices
- Email/password login plus Google and GitHub OAuth

Tourism Spots of Feni District | Live | GitHub
Self-initiated static website showcasing tourism spots in Feni, Bangladesh. Tech: HTML, CSS, Tailwind CSS.
